# THE PULSE OF THE MOTHER WITHIN

## Women's Intensive with Ma Jaya

March 12-14, 2010

Sometimes women hide behind their femininity because they are afraid to acknowledge their own goddess, who lies deep within the center of their beings. Yet each woman has the ability to live in her own power of the Mother. Each of us may embrace a different form of the Mother, but it is the Mother's essence inside of us that is who we truly are.

In this Intensive, you will recognize your own power as the inner goddess comes forward. You will be able to feel the joy bursting from your heart as She pushes forth and allows you to live in Her light.
