***"Kali Natha Yoga is the movement of free will with a great deal of discipline. This ancient yoga brings out the ancient intuition that so many ignore. I watch as my teachers become empowered to hear with their inner ear and see with their inner eye. This great yoga of the Nathas brings awareness of a world one could not perceive with their physical senses alone. It is this discipline of seeing that I am giving to all the teachers of this sacred Yoga." -
Ma Jaya***
