### **SPECIAL RATES**

Special lodging rates are available for Medicine Wheel guests to stay at Kashi, including meals, lodging and Darshan with Ma Jaya. Call in advance to make a reservation.

Join Kashi residents and friends for a special gathering to build a permanent Medicine Wheel on Kashi Ashram grounds. This Wheel will honor the path of harmony and balance maintained by the first peoples living on the land we now call North America.

This Wheel will also be built in loving memory of SunBear, a Chippewa teacher who gathered people of all faiths and nationalities together to walk and live in loving unity with the Earth Mother. According to Sun Bear, "The Medicine Wheel is a springboard of power that will allow you to link up with all the energies of the universe. It is a place where the great teachers of knowledge will gather to share with each other and the people."

Join us; you will be able to fully participate in the ceremony and your presence will add to the magic of the day. If you have a special rock from a sacred place that you would like to offer as a permanent gift to be used for the Medicine Wheel, or if you have any other questions, please **email Agni Jaya Starfire at [cstarfire@verizon.net](mailto:cstarfire@verizon.net)**.

*Ceremonial leader: Charlotte Starfire (Agni Jaya) has studied extensively with spiritual elders of indigenous and eastern mystical traditions. She currently studies with Ma Jaya Sati Bhagavati at Kashi Ashram. Two Native American teachers, Sun Bear and OhShinnah Fast Wolf gifted her with Native American healing and initiatory practices which she has been sharing with others for over 20 years. She strives to experience the mystical in everyday life and enjoys sharing cross-cultural spiritual practices with others who are seeking deeper inner awareness and spiritual connection.*
