Tantra provides the feminine the way to finally make itself known. As the sacred thread that holds all lifetimes together, Tantra is a deep and wonderful way to become one with God - and Tantric teachings were always given to the women first. It is time for women to understand that we have great power within ourselves to consume the Karmic Spaces, to choose freedom from the patterns that bind us.

Ma has said, "The Women's Intensive will be on fire. I am so excited to be taking my ladies into themselves. I am proud to be able to hand this teaching down. It is going to be amazing!"
